## An Affordable Way to Manage Your Medical Expenses

At Hopebridge we are committed to your child's health and well-being, and want to make sure you are able to receive the care he or she needs without financial concerns standing in your way.

That's why we have partnered with CarePayment to make affordable financing options available to our families who need help paying their medical bills over time.

### Who is CarePayment?

CarePayment is a healthcare finance company that is committed to helping people manage their medical expenses, not a collection agency or credit card company. Hopebridge has partnered with CarePayment to provide a financing option that allows you to pay off your initial charges in manageable monthly payments over an extended period of time at 0.00% APR.

### No Application Required

The CarePayment program does not require an application or credit approval process.

### Add New Charges to Your Account

Subject to the terms of your CarePayment agreement, you may choose to add approved future charges at Hopebridge to your account, with all charges consolidated into one easy-to-read monthly statement.

### Manage Your Account Online

It's easy to manage your secure CarePayment account online. You can set your contact preferences, review your balance and transaction history, set up automatic monthly payments, go paperless, or make a one-time payment at any time.

Visit [www.carepayment.com](http://www.carepayment.com) for more information.

### Getting Started with CarePayment:

- Request a CarePayment account by contacting Hopebridge at **855.324.0885**. Please note that it can take several weeks before you receive your CarePayment welcome kit with your first statement
- Make sure Hopebridge has your current physical street address, date of birth and social security number or taxpayer identification number
- Open the welcome kit you receive in the mail from CarePayment, which will include your first account statement
- Activate your account by making your first payment to CarePayment by mail, online or over the phone
- Visit **[www.carepayment.com](http://www.carepayment.com)** to set up your online profile and preferences
- You may choose to add approved future charges from Hopebridge to your account, subject to the terms of your CarePayment agreement

***"Medical bills had led me to the verge of bankruptcy. Keeping my payments low and not having to pay interest got me back on solid ground. Thank you CarePayment!"***
